

About Us

Norton LifeLock Benefit Solutions helps protect employees from identity theft, financial fraud, and online scams before they happen.

Identity and Financial Protection

Keep my personal information and finances safer

Safeguard your identity and finances with proactive monitoring that helps detect threats as soon as possible.

Digital Protection

Help protect my online life from scams and security threats

Prevent scams, malware, and cyberthreats while keeping your family and devices safer.

Online Privacy

Give me control of my personal data

Keep your accounts secure, protect sensitive data, and browse safely to avoid cyber risks.

Financial Wellness*

Help me understand my finances

Improve your financial well-being with tools that provide insights and smarter habits.
