No one can prevent all cybercrime or prevent all identity theft.
We do not monitor all transactions at all businesses.
^{*} Feature availability subject to change.
¹ Credit features require setup, identity verification and sufficient credit history by TransUnion and/or Equifax. Credit monitoring features may take several days to activate after enrollment.
² The credit score provided is a VantageScore 3.0 credit score based on Equifax data. Third parties use many different types of credit scores and are likely to use a different type of credit score to assess your creditworthiness.
³ Reimbursement and Expense Compensation, each with limits of up to \$1 million for Benefit Essential, Premier, and Premier Plus, and up to \$50,000 for LifeLock Benefit Junior (\$25,000 reimbursement coverage and \$25,000 fraudulent withdrawals). All plans include up to \$1 million in coverage for lawyers and experts. Cyber Crime Insurance, if applicable, covers up to \$50,000 for covered expenses per Plan. All benefits are issued and covered by third party partners. Policy terms, conditions, and exclusions at: genidigital.com/legal.
⁴ Locking your credit file won't stop all companies from pulling your credit file. The credit lock on your TransUnion file will be unlocked if your subscription is downgraded or cancelled.
⁵ Subject to eligibility requirements defined in Terms & Conditions. Norton reserves the right to change and/or cease services at any time.
⁶ Parents can monitor and manage their children's activities from a web browser on any device. Parental Control features can only be installed on Windows™ PC, iOS, and Android™ devices. Not all features are available on all platforms. For additional details, see <https://us.norton.com/feature/parental-control>.
