

Cybercriminals around the world keep finding new ways to steal identities.

Help provide your customers peace of mind with a product that offers more than just credit monitoring.

LifeLock is the #1 most recognized brand in identity theft protection.*

Identity Theft Protection

The protection your customers deserve

LifeLock identity theft protection uses innovative monitoring technology and alert tools to help proactively safeguard your customers' digital life.

Identity and Social Security Number Alerts

Alerts them if their Social Security Number, name, address, or date of birth are used in applications for credit or services.¹

Credit Monitoring

Monitor key changes to credit with a leading credit bureau, and alerts to help detect fraud.²

\$1 Million Coverage For Lawyers and Experts

If your customer becomes a victim of identity theft while a LifeLock member, we provide up to \$1 million coverage for lawyers and experts, if needed, to help restore your identity.³

Stolen Funds Reimbursement

We will cover personal expenses incurred as a result of identity theft, up to the limits of the plan.³

U.S.-Based Identity Restoration Specialists

If their identity is stolen, a U.S.-based identity restoration specialist will work on their case from start to finish.

Dark Web Monitoring

We monitor and notify if we find personal information on the dark web.⁴

Social Media Monitoring

We monitor accounts on popular social media sites and notify if we think an account may be compromised or if we find potentially risky links.⁵
