¹ Credit features require setup, identity verification and sufficient credit history by TransUnion and/or Equifax. Credit monitoring features may take several days to activate after enrollment.

⁴ Locking or unlocking your credit file does not affect your credit score and does not stop all companies and agencies from pulling your credit file. The credit lock on your TransUnion file will be unlocked if your subscription is downgraded or canceled.

* Does not include monitoring of chats or direct messages.

[†] LifeLock does not monitor all transactions at all businesses.
