No one can prevent all cybercrime or prevent all identity theft. We do not monitor all transactions at all businesses.

¹Feature availability subject to change.

²Credit features require setup, identity verification and sufficient credit history by TransUnion and/or Equifax. Credit monitoring features may take several days to activate after enrollment.

³The credit scores provided are VantageScore 3.0 credit scores based on data from Equifax, Experian and TransUnion respectively. Third parties use many different types of credit scores and are likely to use a different type of credit score to assess your creditworthiness.

⁴Reimbursement and Expense Compensation, each with limits of up to \$1 million for Benefit Essential, Premier, and Premier Plus, and up to \$50,000 for LifeLock Benefit Junior (\$25,000 reimbursement coverage and \$25,000 fraudulent withdrawals). All plans include up to \$1 million in coverage for lawyers and experts. Cyber Crime Insurance, if applicable, covers up to \$50,000 for covered expenses per Plan. All benefits are issued and covered by third party partners. Policy terms, conditions, and exclusions at: gendigital.com/legal.

⁵Locking your credit file won't stop all companies from pulling your credit file. The credit lock on your TransUnion file will be unlocked if your subscription is downgraded or cancelled.

⁶Subject to eligibility requirements defined in Terms & Conditions. Norton reserves the right to change and/or cease services at any time.

⁷Does not include monitoring of chats or direct messages.

⁸Cyber Bullying Coverage is not available to residents in New York.

⁹Parents can monitor and manage their children's activities from a web browser on any device. Parental Control features can only be installed on Windows™ PC, iOS, and Android™ devices. Not all features are available on all platforms. For additional details, see <https://us.norton.com/feature/parental-control>.
